

Kate Abrey is a senior manager at Accenture Federal Services and is currently responsible for Accenture's management consulting at the Transportation Security Administration. In addition to her day-to-day role, Abrey is a co-lead for AFS's Strategic Government Efficiency initiative, targeted at implementing an efficiency framework across the federal government and achieving savings of more than \$500 million by 2016. Prior to this, she was the management consulting lead for the Department of Energy. She was also responsible for the development and delivery of the Fossil Energy human capital strategy and Fossil Energy continuous improvement program.
